

- Complete this form if you wish to enrol in a course that is not on the course list for your Program or is blocked from direct enrolment.
- More than one course can be included on the same form if required.
- Submit completed form via email to enquiries@scmb.uq.edu.au or the SCMB Administration Office, Level 3, Chemistry Building (68) for approval/signature **no later than week one of semester.**
- Once your form is submitted, allow until the end of the next working day for processing, then enrol in your course via mySI-net.

NOTE: For courses run by Faculties other than the Faculty of Science, the Biotechnology Program Coordinators can only approve that the course counts towards the student's Biotechnology program. Final approval for such enrolment must be obtained from the appropriate Faculty.
